SEC³URE GO!

Waiting in line to check-in at a kiosk is the most unproductive part of your visit to a facility. And if the kiosk or printer happens to be offline, you'll be late to your appointment. Those days are behind you.

With **SEC³URE GO!**, you'll skip the line and head straight to your appointment, because you're checked-in with your badge the moment you arrive at a facility. **SEC³URE GO!** gives you a huge advantage to do more with your time, because you'll never be stuck waiting again.

SEC³URE GO! takes your trusted status to a whole new level by letting you skip the kiosk and save time when visiting any **SEC³URE** facility.

**SEC³URE GO! takes your trusted status to a whole new level:**

+ You're checked-in and cleared to visit a facility the moment you arrive

+ Never show up late for an appointment because you've been delayed getting a badge

+ Skipping the kiosk means significantly more time selling

Here's the best part, **SEC³URE GO!** comes with **SEC³URE Passport 2.0**. It's one of the many benefits of being part of the world's largest trusted healthcare community.

SEC³URE GO! is exclusively available on the **SEC³URE Ethos** technology platform, which gives you access to industry leading innovations that are built to help you do more with your trusted status. Everyone wins with IntelliCentrics!
Are you ready to GO!?

With **SEC³URE GO!** you'll skip the line and never print a badge again. It enables trusted access to over 11,000 locations of care worldwide.

Checked in to a facility
